The show is held downtown at the newly remodeled Boise Centre. A beautiful facility in the heart of downtown Boise. The Boise Centre easily draws from the immediate surrounding communities and throughout the state. There is also plenty of convenient parking nearby for attendees.

GETTING THE WORD OUT

The show is promoted through a comprehensive media campaign that includes print, TV, radio, print and social media. A sponsorship with Zamzows ensures that show discount tickets are readily available to Boise area residents. During the show, local media outlets cover the show, giving that extra push to attract attendees to the show.

SHOW SPONSOR - INLA

Since the beginning, the show has been sponsored by the Idaho Nursery and Landscape Association (INLA), an organization for nursery professionals of all levels.

In recognition of our sponsor, INLA, members receive additional exposure in conjunction with the show:

INLA Member Exhibitors Receive:

- Ribbons attached to name badges with INLA Member recognition.
- Identification in the show guide that they are an INLA member.
- Opportunity to present a seminar at the show.
